DEPARTMENT OF MATHEMATICS AND STATISTICS
College of Science and Engineering

- Employers that hire our undergraduates include Google; IBM; Mayo Clinic; Minnesota Wild; MoneyGram; NSA; Optum; and Target.
- Our undergraduates go on to attend top mathematics, statistics, and biostatistics graduate programs across the nation, including Iowa State; Oregon State; North Carolina State; Minnesota; Iowa; Washington
- A nationwide teacher shortage in STEM fields means our secondary mathematics education graduates are in high demand. Recent WSU graduates were even paid to student teach.
- The Bureau of Labor Statistics listed the following mean annual salaries for Minnesota in 2016:
 - Computer and mathematical occupations: \$84,960
 - Secondary school teachers: \$64,310
 - Statisticians: \$84,060
- A 2017 Glassdoor report rated "Data Scientist" as the #1 best job in America

Scan to learn more about our data science, mathematics, math education, and statistics degrees.

We think you'd be a great fit in our department!
